WATERMILL CAFÉ MENU

Welcome to the Watermill Café.

The Café is located in what was originally part of the bakery in Skerries Mills.

The tradition of home made food is still carried on today with fresh scones and brown bread being made every day. The menu offers a wide variety of food which is produced to order (it may take a bit longer but we believe its worth it) The most pleasing aspect of the food is its immediacy - everything is ultra-fresh, simply prepared and full of zest and, given the quality, it is also good value. You can relax over a coffee or speciality tea, read a newspaper or chat with friends and family.
